Disclaimer

Contents of the online offer

We assume no liability for the topicality, correctness, completeness or quality of the information provided. Liability claims against the Research Museum Alexander Koenig relating to material or immaterial damage caused by the use or non-use of the information provided or by the use of incorrect or incomplete information are excluded, unless there is evidence of wilful intent or gross negligence on the part of the author. All offers are subject to change and non-binding. The Research Museum Alexander Koenig expressly reserves the right to change, supplement or delete parts of the pages or the entire offer without prior notice or to cease publication temporarily or permanently.

References and links

The Zoological Research Museum Alexander Koenig is not responsible for any contents linked or referred to from his pages - unless he has full knowledge of illegal contents and would be able to prevent the visitors of his site from viewing those pages.

The Zoological Research Museum Alexander Koenig therefore expressly declares that at the time the links were created, the linked pages were free of illegal content. The author has no influence whatsoever on the current and future design and content of the linked pages. The author therefore expressly distances himself from all content of all linked pages that have been changed since the link was created.

This statement applies to all links and references set within the Bonn Zoological Bulletin website as well as to entries made by third parties in guest books, discussion forums, link archives and mailing lists set up by this online presence.

Liability for illegal, incorrect or incomplete content and in particular for damage arising from the use or non-use of such information rests solely with the provider of the page to which reference is made and not with the party who merely refers to the respective publication via links.

Copyright and trademark law

The Bonn Zoological Bulletin endeavours to observe the copyrights of the graphics, sound documents, video sequences and texts used in all publications, to use graphics, sound

documents, video sequences and texts it has produced itself or to make use of graphics, sound documents, video sequences and texts that are in the public domain.

All brands and trademarks mentioned within the Internet offer and possibly protected by third parties are subject without restriction to the provisions of the applicable trademark law and the ownership rights of the respective registered owners. The mere fact that a trademark is mentioned should not lead to the conclusion that it is not protected by the rights of third parties.

Legal validity of this disclaimer

This disclaimer is to be regarded as part of the Bonn Zoological Bulletin web site. If sections or individual terms of this statement are not legal or correct, the content or validity of the other parts remain uninfluenced by this fact.
